## Instructions for Using a Power of Attorney on Vehicle Title and/or Registration Documents

The power of attorney must be exercised by the person or firm named as representative on the form. To properly exercise the power of attorney, write the name of the owner followed by the representative's signature.

**Example:** Sharon Smith by Jane Doe

(Sharon Smith is the owner and Jane Doe is the person named as representative on the power of attorney.)

If the named representative is a company, the representative must sign and counter-sign the document.

**Example:** Sharon Smith by Morrison's Garage George Morrison

(In order to be valid, the power of attorney must be exercised on the title or on the document for which the authority was granted.)
